MEMORANDUM FOR THE RECORD

Morning Meeting of 6 February 1968

Godfrey drew attention to two South Vietnamese provincial capitals from which no reports have been heard for at least three days.

Godfrey reported that the memorandum on the implications of spending reductions is ready for distribution.

Godfrey advised that information just received indicates five additional Soviet destroyers have joined the Soviet ships tagging the U. S. task force off Wonsan.

ADD/S&T reported indications are that the Soviets will launch a low-key lunar probe tomorrow.
